The show is open to all, but the Show Committee reserves the right to refuse any entry.

STATEMENT OF PRINCIPLE

The Equine Canada Federation (EC), the National Federation of Canada, supports adherence to humane treatment of horses in all competitions under its jurisdiction. The EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure.
- Continuing to support scientific studies on equine health and welfare.
- Increasing education in training and horsemanship practices.
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work with in industry regulations in all equestrian competitions.
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

The Show Committee reserves the right to add, amend or delete any point not covered by the rules & to correct any error or make any necessary changes in the Prize List or Program. The Show Committee reserves the right to add classes or make necessary changes to tentative schedule but will exercise this with ample notice given to exhibitors affected by changes.

RULES AND REGULATIONS

1. This show is conducted in accordance with the Rules of EC and AHA. Each participant in this show is responsible for knowledge of the rules and is subject to these rules. Any changes or corrections will automatically become part of this Prize List. Questions that arise that are not covered by either AHA or EC rulebooks will be decided by the Show Committee and their decisions will be final.

2. Exhibitors must ascertain when their stock will be judged. **Calling of classes is a courtesy only.** Exhibitors failing check-in at the hitching ring may have their animals excluded from their class.

3. Any classes may be cancelled or combined at the discretion of the show committee. Entrants shall be notified. All changes will be posted at the show office. Additions to class list may be considered by the Show Committee.

4. **Gate holds** will be allowed with the discretion of the Show Committee and must be requested through the Hitching Ring personnel or Show Office well before the class (preferably before the session starts). The show committee will make every effort to accommodate tack changes; time restriction will be 3 minutes. Tack changes to be completed in the hitching area.

5. In the case where a horse shall lose a shoe, or for equipment breakage, seven (7) minutes will be allowed for replacement.

6. Upon any act of discourtesy or disobedience to the officials on the part of the owner, groom, rider or driver, the owner may forfeit his/her entry fee and such action will be reported to the EC and/or AHA. The show committee reserves the right to remove any person or horse from the show without being liable for compensation.

7. **Protests** shall be made in writing within forty eight hours of the holding of a class, to the show secretary and shall be accompanied by a deposit of \$100 which sum shall be forfeited if the protest is not sustained. A copy of such Protest must be sent to EC. Also see the AHA procedure to lodge protests listed near the front of this Prize List.

8. Should any dispute or question arise, not Provided for in the rules, it shall be referred to the Show Committee.

9. Grooms and attendants are to appear in the ring neat, clean and suitably attired.

10. No person other than officials, steward and attendants on duty may enter the show ring without permission of the steward or show manager.

11. The Judge's decision is final in all classes. No one will approach the Judge with regard to a decision unless he/she first obtains permission from the Show Committee or Steward who shall arrange an appointment with the Judge at a proper time and place. No person may enter the space set apart for the Judge or hold communication with the Judge or examining Veterinarian without permission.

12. The abuse or inhumane treatment of a horse by an exhibitor, trainer or other person at a sanctioned competition or on any other occasion shall not be tolerated under any circumstances. Excessive use of a whip on any horse anywhere on the show grounds before or during the show by any person constitutes a violation and renders the offender subject to penalty.

13. To be "shown and judged" in a class, an animal must perform the prescribed routine and must remain in the ring until excused by the judge.

14. SAFETY REGULATION: EC Article A905.2 states that "Junior competitors must wear properly fitted, approved protective headgear, with the safety harness correctly secured, at all times while mounted or riding on a horse-drawn vehicle on the competition or event grounds. Approved headgear must be certified by SEI or the American Society for Testing Material (ASTM) or the British Standards Institution (BSI) standard." At present, if the junior is competing in a discipline or breed whose rules specify other headgear (e.g. western hats or derbies), those rules supercede the above rule. However, almost all breeds and disciplines do allow protective headgear with no penalty, and we urge their members to put safety ahead of tradition and adopt the new rule.

15. All dogs must be kept on a leash on the show grounds. **Dogs are NOT allowed in the Agricentre Pavillion or the hitching ring at any time.**

16. Bikes/Scooters/Skate Boards are NOT to be ridden in the Barns or around the hitching ring area.

Any exhibitor using the wrong number, or having no number in the ring may be excused from the class or may be disqualified in the event of a protest. It is the exhibitor's responsibility to ensure that they are wearing the correct number in the class.

11. Any horse entered in any class at a competition subject to the requirements to pay drug testing fees may, while on the competition grounds and on the recommendation of the Chairman of the provincial Equine Medication Committee or the Chairman's appointee, be selected for equine medication control

testing. For the purposes of EC, only a single drug fee will be collected as it pertains to RDC Part A and Part B under the concurrent format.
